To whom it may concerned

This is to certify that **Khamis Suleiman Hamood Al-Khusaibi** has done a training course at Nizwa College of Technology, Educational Technologies Center-Computer Services, during the period from 08/02/2004 to 14/07/2004. In this training he has been treated as a computer technician where the following responsibilities and duties were assigned to him:

1. Computer services helpdesk to staff and students in all departments.
2. Installation and configuration of operating systems such as WinXP, Win2003 server, Linux Redhat9.0.
3. Installation and configuration of PCs applications and software like MSOffice, Java, Borland C++, Context.
4. Network security and follow-up.
5. Assembling and computer troubleshooting.
6. Graphic Design software such as Adobe Photoshpe and Flash.

Through this training it was found that **Khamis Suleiman Hamood Al-Khusaibi** has the ability to work as a computer technician and network administrator. In addition to that he can learn new things quickly. In general his performance was very good.
