## TO WHOM IT MAY CONCERN

This is to certify that Mr. Maroof Ali Abbasi s/o Mehboob Ali Abbasi has served as Senior Physics teacher from 26, September 2010 to 31, August 2012 in this institution. He taught physics to Secondary Level, Higher Secondary Level and Advanced Level (A-level) Federal Board and Edexcel classes. His inventive and student centered teaching approach was always recognized as prolific and result oriented as his lectures. He established a good rapport with his colleagues and students. It is hope that he will have the same pace of performance at his future workplaces.

I wish him every success in future endeavours.
