Subject: request for availing internal leave reg

To: Bensujin Bennet &lt;bensujin.bennet@nct.edu.om&gt;

Dear Sir,

Hope this email finds you well.

I am writing this email to seek your permission and granting leave for four days as internal leave after the semester break.

I am planning to travel to India during the semester break to visit my family and for a medical consultation with my family surgeon for the health problems I am facing. I have also attached the medical document related to it.

I can come back on 13.01.2020 which is during the semester break and I will be in home quarantine until 20.01.2020.

Kindly requesting you to grant me leave for **4 days** as internal leave which I will be in home quarantine.

with regards

s.gobimohan
