PERSONAL LEARNING PLAN

Leveling the Playing Field: Support for Struggling Readers in a Blended Learning Environment

Presented by: Kathleen Colburn, Senior Product Manager, Read and Write; and Diana Petschauer, Managing Director and AT Consultant, Assistive Technology for Education

The goal of this edWebinar is to help educators learn from experts and peers in the content area(s):
Literacy, Reading Skills, Hybrid Learning

Orlino D. Rabago Jr.'s Personal Learning Plan

Goals: The enhance my know-how in supporting ESL students who struggle in the four macro skills through online / remote learning.

Reflections: Various approaches on how to support struggling readers / learners in a hybrid learning set up.

Professional Impact: Techniques and approaches on how to deal with struggling students.

Student Impact: The information can directly help my students because of the same situation and set up we are currently facing.
