## **ANNA UNIVERSITY**

Anna University, Asia's largest Technological University was established in the year 1978 as a unitary type of University and has become an affiliating type of University since 2002.

In its endeavor towards transformation of knowledge and to increase technical and managerial competencies of professionals, the University is embarking on an ambitious initiative to offer MBA, MCA and M.Sc. (Computer Science), M.Sc. (CS-FOSS) online Degree programmes through distance mode.

### **CENTRE FOR DISTANCE EDUCATION**

Centre for Distance Education, established in the year 2006 aims to impart technical professional education that would provide its students a competitive edge in global business environment and advance the qualification of the needy by providing hard and soft skills to be better performer and meet real corporate world challenges, through tailor made professional courses.

#### **Objectives**

- To design, develop and disseminate emerging technological know-how to the nook and corner of the country in particular and the world in general.
- To extend the benefits of state of the art technical education to the rural masses.
- To impart knowledge through latest online learning methodologies.
