Total Appointment Length with Adjustment (in minutes): 170

Admission Policy

We ask that you arrive at the testing center 15 minutes before your scheduled appointment time so that you have time to complete the necessary sign-in procedures. At all testing centers, Cisco requires the capture of your photograph and digital signature. Please be prepared to show two forms of personal identification. Both must have your signature, and one must be a valid, government-issued picture ID. Expired IDs are not valid.

If you arrive more than 15 minutes late for an exam and are refused admission, you will be responsible for payment of the exam and delivery fees.

All Cisco Certification exams delivered at Pearson VUE test centers are "closed book." You are not allowed to take books, calculators, PDA's, or backpacks into the testing center area. All cell phones and pagers must be turned off before storing outside the testing room. The testing center will provide you with a laminated marker board for your use during testing.

Upon exam completion, the proctor will escort you out of the testing room, where you will be asked to surrender your laminated marker board. All candidates will be given a preliminary score report or a beta exam confirmation at the end of the exam. This document includes important information; please keep it for future reference.

Note: Before receiving certification, you must sign the Cisco Certifications Agreement. This can be done electronically at the end of any Cisco exam. To review the Cisco Certifications Agreement before your exam appointment, visit: www.cisco.com/web/learning/exams/policies.html.
